GRAPPLE WINS THE THISTLE.

LEADS ALL THE WAY AND SCORES A DECISIVE VICTORY.

Hyperion II. and First Mason Disappointments in the Feature-Earl G. Is Overlooked-Lady Vincent Heavily Backed.

New York, June 28 .- Favorites fared badly at Sheepshead Bay again today, Grapple being only one to win and he was at an extremely liberal price owing to strong support for two or three of the other starters. Grapple won the Thistle Stakes, the only fixture on the card, and the other winners though at good prices, were in most instances heavily backed. The exceptions were Bayonet, which won the steeplechase, and Blue Book, winner of the closing race, though a few of the layers did not escape a scorching over the victory of the The fields were large and, in many case it was difficult for the public to make a favorite. The meeting has become noted for the absence of winning choices. This, in a measure, is due to the large fields.

Except for a tip on First Mason and another on Hyperion II., Grapple would have been a 7 to 5 favorite for the stake race. He easily figured to the best bet of the day, but so strong was the following for the two horses named that at one stage of the betting they were equal choices with him and it was only right at post time that Mr. Farrell's horse became a fractional favorite. Grap-ple beat his company like breaking sticks, leading all the way, and after it was all over the players dered why they could have gone so far astray their judgment of the outcome of the race Hyperion II. ran well for five furlongs, but at no time threatened danger to the winner, while First Mason, in spite of the fact that he had worked a mile and a furlong in 1:54, could not raise a re spectable gallop. Beckman, who rode Grapple, has shown great improvement lately, due to confidence restored by a few successful rides. He not only handled Grapple well, but also put up a finished ride on Lady Vincent, which was backed from 10 to 1 to 7 to 1 and won the fifth race

Earl G., which won a race under rather sensational circumstances at Belmont Park a few weeks ago, was overlooked in the opening race by all except a few, but when it came to racing he showed a very good performance and won going away by a He was bid up from his entered price of \$1,500 to \$3,500, but was protected with the usual advance of \$5. Earl G. was "boosted" after his other winning race and his owner said today that it him about \$500 to win two races. Earl G. is a very smart looking colt, by Pirate of Penzance out of Alma T., and looks to be well worth the figure at which his owner bid him in

were several wild plunges which did not materialize. One of these was for Merry Saint in the steeplechase. She was backed from 5 to 1 to 5 to 2, but stopped badly after racing well up for a mile and a half. Another losing plunge was made on Spring Flower in the fifth race. to know just where the tip came from, but neverit was all over the place, the filly being backed from 10 to 1 to 13 to 5. She was caught in a jam soon after the start and was never prominent afterwards.

The card for tomorrow is one of the very best of the season, including as it does, the new \$25,000 Coney Island Jockey Club Stakes, the Great Trial for two-year-olds, the Sporting Stakes in which amatenrs will ride, and a steenlechase which attracted brilliant field, including T. S. Martin, winner of the Whitney Memorial. The weather promises to be fair and a crowd little short of that which visited Belmont Park on Decoration day is expected to be

COURT DENIES APPEAL FOR STAY.

Racing Commission Must Grant Butler a License for the Yonkers Track.

New York. June 28 .- A decision was handed down in the Second Judicial District of the Supreme Court in Brooklyn this afternoon denying the application for an order staying the State Racing Commission from issuing a license to the Empire City Trotting Association for running races

About ten days ago the Appellate Division of the Supreme Court issued a writ of mandamus compelling the State Racing Commission to issue a license to the Empire City Trotting Association. A few days later application was made for a stay on this order This decision ends the long fight made by James Butler, owner of the Empire City track at Yonkers for recognition by the Racing Commission

Up to 9 o'clock tonight no statement was forthcoming from Mr. Butler, but it is will ask the Jockey Club for dates in August.

Richard Havey will be the presiding judge at Butte and Frank Skinner will act as steward for the Pacific Jockey Club.

CONDENSED HISTORY OF THE GREAT TRIAL STAKES.

From its institution the Great Trial has been the richest stake for two-year-olds of the Coney Island Jockey Club's summer meeting and in its early years netted the winner more than it now does, great as is now the victor's reward. Chiswick was the lucky winner when it reached its greatest net value. The choicest two-year-olds of the early season have always contested for its honors and a two-year-old capable is necessarily of high class. Jean Bereaud is the only winner that carried the extreme penalty to victory, Previous, Kingdon, Mizzen, Broomstick and Water Pearl all failing. The record of the

MINOS BEATS CONVOLO BY A NOSE. BIG SLUMP IN WINNING FAVORITES.

Second Place Seems the Best a Horse from Milam's Barn Can Get at Latonia.

Cincinnati, O., June 28 .- It is beginning to appear as if second money is going to be the best J. C. Milam will get out of the purses at Latonia. He has had six seconds and one third, but no winner at the meeting. Milam thought he would be able to shake his hoodoo when he sent Convolo out for the third race this afternoon, but Minos nosed him out. was the first start for Convolo since last fall, but he had been working well and Milam believed he could defeat the other five. He should have won but in his effort to draw the finish fine, Pickens let Martin put it on him and Minos got the verdict. Convolo ran as if a trifle short and the race should put him on edge. Bottles, which finished third, was poorly handled. Pieratt delayed his move in the stretch too long.

In the steeplechase Dell Leath showed his opponents all kinds of speed, leading from start to finish and winning as his rider pleased, this too, despite the fact that he stumbled in landing over the last jump and all but threw McClure, who fell forward on his neck, but recovered in time to keep the horse from going down. The time of the race, 2:57, is a new record for the track, the best previou time, 2:573, having been made by Red Car, June

The victories of Stone Street and Bensonhurst in the first and second races injected confidence into followers of the favorites, but they were brought to a sudden halt by the defeat of Convolo. Dell Leath was not heavily supported and the bookmakers had their innings when Balla and Scalplock were winners in the succeeding race

In the race won by Scalplock, Louise Macfarlan and Clyde, the first and second choices, dashed away at top speed for a quarter of a mile before the start, jockeys Austin and Taylor believing it would be a go. The incident was viewed with suspicion by many of the spectators, but the judges' investigation after the race corroborated the riders' state ments that they thought it would be a start. The false break, of course, caused both horses to tire during the running of the race

Louise K. and Caltha, making their first starts, ran sparkling races in the fifth. Balla got a run-ning start, otherwise both would have finished in front of her.

. Brien, owner of Kercheval, arrived today Mr. Brien says this year's Burns Handicap winner now at Sheepshead Bay, is doing splendidly and he eligible for the Brighton Handicap. He says trainer Conran's neglect in not registering his continger interest in the horse was the cause.

Orlandwick, recently bought out of a selling rac by J. C. Milam, was today sold to ex-jockey Jesse Everett for the reported price of \$1,200. This is an advance of \$300 over the sum Milam paid for

Barney Schreiber was a visitor, having stopped over a day en route to New York from San Francisco. Mr. Schreiber looks hale and hearty. His left hip, which was injured in the San Francisco earthquake, has so far recovered that he can now get around without the aid of either crutches or a The left leg. however, will always be about an inch shorter than the right one.

Mr. Schreiber confirms other opinions as to th Oakland meeting, which he says was the best he ever saw there. He says he will not ship his year lings to New York, as horsemen there would only bid on the pick of the Sains, Bannockburns and He will keep the entire lot with which to replenish his various racing stables. He has twenty-five yearlings by Sain.

MISS ALERT TO GO IN LATONIA OAKS

Detroit, Mich., June 28 .- There was a good crowd at Windsor today, but the sport was poor and in a betting way, the results were unsatisfactory. ne favorite managed to win. The greatest disappointments were the defeat of the heavily backed Gloria in the first race and Fantastic in the

third.

The excellent race of Miss Alert puts her in line as a starter in the Latonia Oaks next week. Trainer Bellew has been going slow with the filly and her good showing today has fully decided him to ship her to Latonia. Fantastic, because of her poor race today, may not be shipped to Latonia.

Ed Trotter claimed La Gloria out of the first race for \$1,175. Jockey Kunz was fined \$25 and J. Murphy drew a fine of \$10 for disobedience at the post today.

Bad Going in the East and Poor Horses in the West the Primary Reasons.

The complaint of betting people both east and west that this is a bad year for favorites is fully sustained by the figures, but nine out of every ten who have given expression to their thoughts on this subject are wide of the mark as to the reason. The figures show that the percentage of winning favorites is about five points below normal, careful analysis of the racing shows that this is due to two causes-bad tracks and poor horses. The first-named cause applies more especially to the east and the latter to the west, Latonia in The best horses in this section have

been sifted out and shipped east.

To and including June 27, 3,530 races were run this year, and only 1,377 favorites won. shade under thirty-nine per cent of winning first choices, while about forty-four per cent is normal. The greatest slump has been at Latonia, where only twenty-five per cent of the favorites have

Latonia has had some bad weather, but the trouble there is due more than anything else to poor horses, just as it was at Oakland for the last three months of the long meeting. During January, February and March there were only three days on which the track was fast at Oakland, yet thirty-eight per cent of the favorites won. Around the first of April the best of the horses began to leave for the tracks in the east and only the cheaper variety were left to make the racing, and the result was that with mud on only three days in April, May and June only

thirty-three per cent of favorites won.

From the opening of the season at Aqueduct, April 15, to June 27 at Sheepshead Bay, 395 races were run in the east and 155 first choices won, a shade over thirty-nine per cent. The only track that was up to normal was Jamaica, with forty-nine per This course encountered some bad weather, but not so much of it as the others and again it is said to have better drainage and to dry out more rapidly than some of the larger plants about New But there is no getting away from the fact that bad going in the east and poor horses in the west are the primary causes for the slump. Here are the figures to and including the racing of

BIRKENRUTH'S SUCCESS ABROAD.

Harry Birkenruth, the American rider in Austria Hungary, has to his credit this season the Grand Prize, the richest racing event run in Germany. which was run at Hamburg, by Faith, ridden by the American boy. Birkenruth as developed by Sam Hildreth and Louis Ezell at tracks in the middle west and in California. He led the riders at San Francisco for two seasons before going abroad, where he has had the greatest success and made a name for himself; as a judge of pace he is much admired. The success of Herr von Mautner's stable on the Austrian turf, dates from Birkenruth's connection with it Last season it won more than \$100,000. It is the riders of the caliber of Fred Taral and Birkenruth who have made the demand for American jockeys

CAVE ADSUM IN A CANTER.

LOWERS HIS HALF-BROTHER'S TRACK RECORD AT KENILWORTH PARK.

Another Half-Brother Finishes Second to Him-Watkins Back with Hayman-Lowe Returns to Hildreth.

Buffalo, N. Y., June 28 .- The program at Kenilworth today was an ordinary one and all but one of the races were easily won. Luzetta, in the opening race, was the only one that had to stand a drive Followers of the favorites scored in all but two instances, Trouveur and Luzetta being the outsiders that helped even up the losses which the

books sustained on the afternoon's transactions.

In the fourth race Cave Adsum established a new track record for a mile and a sixteenth by running the distance in 1:45%, two-fifths of a second better than the previous mark, held by Dr. Spruill, a halfbrother to today's winner. Both horses were bred by William Jennings and both are out of the mare Mabel D., the former being by Compute, while Dr. Spruill is by Dutch Roller. Solon Shingle, which finished second to Cave Adsum in today's race, is also out of Mabel D.

The fields in a majority of the races were reduced by scratching and this was passing strange, as the track was in excellent condition. The start in the first was poor and was responsible in a measure for the defeat of the favorite, Lexington Lady, which was ridden by Joseph Hogg. It was this boy's first appearance in the saddle since his accident at New Orleans last winter. Lexington Lady finished fast, but was not able to get to the leaders being beaten out a length and a half at the finish. In the second race Barney Schreiber's Seymour Beutler made a show of his opponents. Cave Adsum won his race by ten lengths. Trouveur made a runaway affair of the fifth race. Panique had to be much the best to win the closing race. He was unfortunate at the start in breaking slowly and was forced to work his way up on the outside. The race was a selling affair and when offered for sale a stranger appeared on the scene and boosted him \$300 over his entered price of The horse was protected and bought in.

Maurice L. Hayman disposed of three of his horses this afternoon. Dr. J. F. Aitken was sold to Jule Garson; Giovanni Raggio to J. W. Pangle, and Pretty Dolly to Samuel Lazarus. Mr. Hayman left for New York tonight, but will return next week and make further reduction in his big string.

During his visit here Mr. Hayman arranged with R. E. Watkins to enter his employ again. Watkins will take charge of the division of the McCarren-Hayman stable, which is being trained by John Lowe, it is understood, will go back to S. C. Hildreth, with whom he was connected for several years. Watkins left for New York last night to arrange for the transfer of the Hayman horses to his barn. It is understood that the Haymans will release jockey Englander at the close of the present meeting.

Jockey Goldstein left for New York tonight. He will ride George S. Davis and Flavigny at Sheepshead Bay tomorrow, but will return to Buffalo in time to ride at Kenilworth on Monday.

NO CHANGE IN EASTERN SYSTEM.

Cassidy Says He Can Start Much Better with the Flat-Footed Break.

New York, June 28 .- After all the clamor for the "walk up" system for starting on the Jockey Club's tracks, Mars Cassidy has come out with an inqualified statement to the effect that this method sending horses away from the post is impracticble, and that he can do much better work with the flat-footed break.

As the Jockey Club has all along insisted that the standing start was the only proper way to handle the fields at the barrier, Cassidy's surpris ing statement in the face of the long-drawn-out howl the "walk up" probably means that there will be no more agitation on this line. As Cassidy has the matter in his own hands he will go ahead with the present method at the post and do the

Cassidy declares that the "walk up" system would be all right if comparatively few racing day in and day out, were to be handled. with so many new horses going to the barrier daily, together with large fields, he says, start would only cause confusion and increased fault-finding on the part of the public. So the flat-footed break will remain in vogue, much to the satisfaction of conservative turfmen, who say that it is best to let well enough alone.

It was understood all along that Cassidy wanted change to the "walk up" system, so that the advocates of this method, when they learned of the starter's opinion yesterday, were in a decidedly bad predicament. They realized that they had been wasting much time on a crusade that never had a chance to go into effect.

HOPPER TALKS ABOUT OAKLAND.

Cincinnati, O., June 28 .- "The meeting at Oak land did not get a bit draggy this year, and it was the liveliest spot in the country last winter," said Judge Hopper at Latonia today. "The wind-up Over 10,000 people were out or the closing day, and we had to take fences down to give them room. Twenty-five books were on, and it was a great finale to the most successful race neeting ever held anywhere. two races run like those at four miles for Thornton Stakes and the renewal of it. Algol was beaten a cople of inches by Los Angeleno finish. The bookmakers all had a profitable year, out this was due to the great amount of money afloat. They just could not help winning, for every horse was backed.

"Firestone was the best two-year-old out there I see he won on his first out in the east Voladay could beat all the handicap horses we had out there. He is a patched-up horse, and he sort of went back a bit, but I guess Cabill will get him up again. Nearly all the horse owners that him up again. were at Oakland will stay west of the Rockies this summer, as racing is practically assured up to the time of the opening of Oakland next fall."

NEW TOWN ON THE BACING MAP.

Dallas, Texas, June 28 .- Mineral Wells, the pe lar Texas health resort, is getting the fever for horse racing. That town will probably not figure as a regular member of the Southwestern Circuit this year, but it will in all probability be in line for 1908. An independent meeting is to be held during the coming July, as a dedication of the ne track and the introduction of the Mineral Springs Racing Association to popular favor. At the re cent meeting the following officers and directors named: H. H. Coleman, president; Richards, secretary; W. H. Boykin, T. J. Green, B. L. Gallaher, H. M. Coleman, Frank Richards and C F. The application of William F. McElroy rainer's itemse has been tabled by the stef the Jockey Club. Bayonet, half-brother to The Picket, scored his first victory when he won the steeplechase at Sheepshead Bay yesterday. He is still a maiden on the flat.

Starter William Murray passed through Chicago resterday en route from Buffalo to Butte, Montana, He will do the starting at Stover's meeting of forty lays, which will open Thursday.

Harry Payne Whitney will probably not start Burgher, the two-vear-old full-brother to Burgomaster, until the Saratoga meeting. Burgher is a big, over-grown colt, and Trainer Rogers has not been in a hurry in his preparation.

Deen in a hurry in his preparation.

James Higginbotham, trainer of the Stevens stable, is in the hospital at Denver with a load of buckshot in him. He was wounded in preventing the shooting of a negro by Trainer Charles Cotton of the Willis Powell stable at Overland Park.

A. J. Joyner considers Waterbor the best handicap horse he ever trained, and he says the best race the son of Watercress ever ran over a long distance of ground was in 1903; when he beat The Picket and Hermis for the Century Stakes. In that race he carried the scale weight and galloped the mile and a half in 2:31½.

ANSWERS TO QUERIES.

J. R. McC., Chicago. In parlays only the horses named run for the wager. The parlay named by you was a draw.

Leon P., Chicago. Your parlay to show on Spion, Bartender and Jungle Imp was a draw, Spion being out to show and the other two scratched.

W. J. F., Toronto, Ont. Rudabek finished third in his race of June 21 and was favorite, closing at 8 to 5, 4 to 5 and 1 to 2 in the betting.

M. E. R., Chicago. With Bartender scratched you only had a single bet on Wine Merchant to show and would be subject to the rule stated by you.

P. W., Chicago. If you back a single horse of a coupled entry your wager is decided by the running of that horse. Dinna Ken was scratched and your bet was a draw.

W. T. F., Cincinnati, O. The only thing to do is to do as you would in other lines of business, go to the track and lay your case before some prominent bookmaker.

Went to post at 4:16. At post 4 minutes. Start good. Won handily; second and third the same. Red Hussar ran close up from the start, moved up fast after being straightened out for the stretch run, raced Meadowgreen into defeat and won going away. Abrupt followed the pacemakers closely and outgamed Meadowgreen in the final drive. The latter showed the most early speed, but tired from setting the pace. Mont Lee showed early speed, but tired badly. Ena finished gamely and close up. Bar G. closed a big gap and finished fast.

Won easily; second driving; third the same Kelpie, much the best at the weights, trailed until well around the far turn, then moved up fast and took command after entering the stretch, caught Matabon tiring, raced him into defeat and drew away and won with ease. Oberon ran forwardly all the way and outgamed Matabon for second place. Too much use was made of Matabon in the early stages, but he finished gamely, although tiring.
